the-art technology. As your health care provider, we understand our responsibility to keep up with these changes, and we strive to stay one step ahead of the industry. We make a serious commitment to you, our patients and our community, by constantly working to bring new services to the community and recruit new healthcare specialists. Our goal is to provide a wide variety of first class healthcare services, locally available here in Union so you will not have to travel far for any of your healthcare needs.

Wallace Thomson Hospital Joint Commission Accredited

Wallace Thomson Hospital has successfully completed their Tri-Annual Joint Commission survey. Congratulations to Wallace Thomson Hospital staff for successfully achieving accreditation, which is recognized nationally as the Gold Seal of Approval[®] in health care.
